Task allocation

The screenshot displays the Microsoft Teams application window. On the left sidebar, there's a header "All teams" and a team named "2021-152-Artificial Intelligence B...". Below it, a tab labeled "General" is selected.

The main area shows a task management view under the "Tasks and dates" tab. At the top right of this section are controls for "Group by Bucket", "Filter", "List", "Board" (which is active), "Charts", and "Schedule".

The tasks are organized into three vertical columns:

- To do:** Contains four task cards. Each card has a title, a due date icon, and assignee avatars. The first card is titled "Software Design -Design wireframes and mockups" with a due date of 04/30 and assignees KI, [Avatar], [Avatar], and TI. The second card is titled "Software Requirement Specification - Preparation of SRS Document" with a due date of 04/22 and assignees KI, [Avatar], [Avatar], and TI. The third card is titled "Software Requirement Specification - Identify core functions" with a due date of 04/22 and assignees KI, [Avatar], [Avatar], and TI. The fourth card is partially visible at the bottom.
- Inprogress:** Currently contains one task card titled "Add task" with no due date or assignees shown.
- Completed:** Contains five task cards. The first card is titled "Online project registration" with a completion date of 01/18 and assignees KI, [Avatar], [Avatar], and TI. The second card is titled "Topic Internal Evaluation" with a completion date of 12/28/2020 and assignee KI. The third card is titled "Kannangara K.K.A.L. it18507652" with no completion date or assignees shown. The fourth card is titled "Find 5 related research papers each" with a completion date of 12/25/2020 and assignees KI, [Avatar], [Avatar], and TI. The fifth card is titled "Topic assessment form submission" with a completion date of 01/22 and assignees KI, [Avatar], [Avatar], and TI.
